Usage Agreement: You are accessing this information system using your unique credentials, and the sharing of credentials is strictly prohibited. Use of this information system indicates consent and acknowledgement that your activity may be monitored, recorded and subject to audit. Unauthorized use of this information system is prohibited and subject to criminal and civil penalties.

2: Enter your email address. Click on “Reset Password”.

NOTE: You will get an email with a new temporary password.

The screenshot shows the Sandata password reset interface. At the top is the Sandata logo with the tagline "Get more right from the start". Below the logo, a small asterisk indicates a required field. A red error message "Email Address is required" is displayed above an input field containing the placeholder text "Enter Email Address". A blue button labeled "RESET PASSWORD" is positioned below the input field. At the bottom of the form, there is a link for "Back to Login" and a copyright notice for "© 2023 Sandata Technologies, LLC".

3: Create a new password.

NOTE: *Your password must contain the following -*

- At least 1 number
- At least 1 letter
- At least 1 Uppercase letter
- At least 1 lowercase letter
- The length must be at least 12 characters

Helpful Hints

“Old Password” is just the temporary password sent to your email.
